

FOR IMMEDIATE RELEASE

Manchester, NH – November 30, 2011

EPTAC Corporation, North America's leader in electronics training and IPC certification, has partnered with Outsource Manufacturing - Made In San Diego to deliver training and IPC certification to the electronics manufacturing industry in Southern California's San Diego region.

"Being a West Coast Partner for EPTAC will provide great access to necessary training for the entire San Diego region, says Ted Fogliani, CEO of Outsource Manufacturing. "We are happy to be a resource for San Diego's high tech community and be a place where our employees and our industry can come and receive continuing education.

Charlene Theberge, Director of Quality Systems at Outsource Manufacturing – Made in San Diego, said, "As a leader in Contract Manufacturing it makes sense to us to be involved in a partnership with EPTAC the recognized leader in IPC training and certification."

"This relationship adds real value to both organizations", offered Mark Pilkington, EPTAC's President. "As one of Southern California's premier contract manufacturers, Outsource Manufacturing provides EPTAC with an ideal location to deliver its electronics training and IPC certification classes to the region. In turn, EPTAC will provide increased exposure to Outsource Manufacturing's services by training industry professionals at its Carlsbad, CA facility."

EPTAC will offer a full schedule of IPC Certification classes including IPC-A-600, IPC-A-610, IPC-WHMA-620, IPC-7711/7721 and J-STD-001. Class schedule for 2012 can be found at www.eptac.com.
